## June 3 Sample Ballots on their way to voters

---

The Registrar of Voters has begun to mail sample ballot pamphlets to registered voters in San Bernardino County. Voters not registered in time for the initial mailing will be included in the second mailing later in May. The purpose of the sample ballot pamphlet is to provide general information pertaining to the upcoming June 3, 2008 Statewide Primary Election.

The pamphlet is an information guide that includes information on:

- Contests to be voted
- Vote by mail voting information
- Early Voting dates
- Election Day – what to expect at the polls
- Arguments and rebuttals for local measures

Additionally, on the back cover is the location of the polling place and an application for a vote by mail ballot that includes a box to apply for permanent vote by mail status.
